Mendon Highway Department
101 Semmel Road
Honeoye Falls, NY 14472-9755

Town Board Meeting, October 17, 2011
@ Mendon Town Hall

F.Y.I.

1. The fall brush pick up began Tuesday, October 11, 2011.

2. Once the brush pick up is completed, we are hopeful that the weather will hold. This will allow some of the Town roads to be wedged, and a couple County drainage issues to be addressed. Installation of snow fence and delineators will also start once the brush pick up has ended.

3. The mechanics have begun prepping some of the trucks for winter service.

4. A new ice rink tarp for Semmel Road park has been received has been received. The tarps usually last about 3 years.

5. The installation of the sidewalk and wall has begun at the Library. This runs from North Main to the Library. This project is being partially funded by a Community Development grant through Monroe County.

Respectfully,

Bud

William E. Smith,
Highway Superintendent
