

Mendon Highway Department
101 Semmel Road
Honeoye Falls, NY 14472-9755
Town Board Meeting, July 18, 2016
@ Mendon Town Hall

F.Y.I.

1. Old Brook Trail, Lantern Lane, and Surrey Hill Lane will be cape sealed. This is the last process of surface treat for these roads. The remainder of the roads slated for stone and oil surface treat have been completed.
2. The highway department has begun some of the prep work on Town and County roads. It is projected that these roads will receive some form of surface treat during 2017.
3. The Ford F-250 pickup truck has been received and is in service. This truck was ordered with a front plow and will be utilized during plowing operations, as needed.
4. The highway department will be nova chipping East Street and Quaker Meeting House Road. This should be completed by August 1, if the weather cooperates. As with other County Roads, the Town will be reimbursed for expenses on East Street.
5. We continue to address safety concerns point out by PESH. We received the official notice, with compliance dates, Tuesday, 7-5-16.

Respectfully,

Gary P. Loope,
Deputy Hwy. Superintendent
