

Mendon Highway Department  
101 Semmel Road  
Honeoye Falls, NY 14472-9755  
Town Board Meeting, November 14, 2016  
@ Mendon Town Hall

F.Y.I.

1. Highway crews continue with preparations for winter. Snow fence and delineators are being placed. Trucks are being set up with plows, wings, salters, and magic tanks and pumps. The forecast for this week is for mild weather, but once the chance of snow is forecast, 24 hours dispatching will be put into place.
2. Deer strikes have shown an uptick since the beginning of colder weather. This increase is across the town on State, County, and Town Roads. Residents and drivers are urged be extra cautious this time of year.
3. Throughout the summer the Highway Department has conducted work for Monroe County on their roads in both Mendon and Rush. It appears that this has resulted in reimbursement to the Town for labor and equipment an amount in excess of \$275,000.

4.

Respectfully,

William E. Smith,  
Highway Superintendent
