

Mendon Highway Department

Honeoye Falls, NY 14472-9755
Town Board Meeting, May 11, 2015
@ Mendon Town Hall

F.Y.I.

1. The Highway Department commenced the spring brush pick up on Monday, April 27, 2015. The pick up is proceeding well, with the Town, east of West Bloomfield Road, picked in a week. While the Town experienced a harsh winter, we did not have the wind storms and the resulting amount of brush debris.
2. The municipal auction was held this past Saturday at the Palmyra highway garage. We should be hearing the results, soon.
3. Robert Sherman, Jr. retired April 30, 2015. He had a little over 33 years of service to the Town. We wish him and his wife well in retirement.
4. In another week, or so, we hope to start the road work. Some prep work will need to be done prior to receiving a coat of stone and oil. We will also be doing some touch up of lawn damage that was not completed prior to the start of brush.

Respectfully,

William E. (Bud) Smith,
Highway Superintendent
