Town Board Meeting, June 14, 2010
@ Mendon Town Hall

F.Y.I.

1. As of 5-28-10, John Shipe and Dave Bendschneider were officially retired from the Mendon Highway Department.
2. The highway department has advertised for highway workers as a replacement for two of the 3 retiring employees.
3. The street sign and supports for High Country Trail were removed by persons unknown over the Memorial Day weekend. Also, persons were "partying" in the cul-de-sac area of High Country Trail over the same period, leaving a large amount of debris in the area. Both incidents were reported to the Sheriff's Office, along with a request for special attention to the area.
4. The Highway Superintendents' school was held last week at Cornell. It was found to be very informative and eye opening, especially the panel discussion on legal issues. It was also learned that the CHIPS funding had been approved as a part of the state's budget extension process.

Respectfully,

William E. Smith
Highway Superintendent
