

Mendon Highway Department  
101 Semmel Road  
Honeoye Falls, NY 14472-9755  
Town Board Meeting, September 14, 2015  
@ Mendon Town Hall

F.Y.I.

1. The Highway Department has been advised that the revised price of salt for the 2015-2016 winter season will be \$49.09/ton, an increase of 6% over last seasons bid price.
2. The Highway Department has set September 28, 2015 as the start of the fall brush pickup.
3. The metal drainage pipe in Dixon Woods has started to fail and is causing portions of the road to sink. This pipe was installed as a part of the development, approximately 35 years ago. The failed pipe is between the first and second catch basins on the north side of the road, just west of Clover Street. The major portion of the pipe is below the road, and replacement will require removing sections of the road. This work will be done, once the the brush pick up is completed.
- 4.

Respectfully,

William E. (Bud) Smith,  
Highway Superintendent
