

Mendon Highway Department
101 Semmel Road
Honeoye Falls, NY 14472-9755
Town Board Meeting, November 13, 2017
@ Mendon Town Hall

F.Y.I.

1. The Highway Department completed the Fall brush pick up in approximately 2 ½ weeks.
2. Installed a couple driveway pipes and ditched along Cheese Factory Road for Monroe County DOT.
3. Work continues on Boughton Hill Road for Monroe County DOT. Work mainly consists of ditching and possibly the installation of guide rail.
4. The County has also requested our assistance with repair of some catch basins on Calkins Road (Henrietta). We will try to get to this project in the near future, if winter allows.
5. All delineators posts along the snow routes have been installed and snow fence is in the process of being installed.
6. The County DOT did a study on Cheese Factory Road in anticipation of "School Bus Stop Ahead" signage. 3 signs have been installed just to the west of Partridge Hill.
7. Henrietta Highway Department came out and looked at the drainage under Assembly Drive. They flushed the pipes, but numerous pipes will have to be replaced during summer, 2018.

Respectfully,

William E. Smith,
Highway Superintendent
