

Mendon Highway Department  
101 Semmel Road  
Honeoye Falls, NY 14472-9755  
Town Board Meeting, September 11, 2017  
@ Mendon Town Hall

F.Y.I.

1. Partridge Hill and Partridge Hollow received a chip seal treatment as a follow up to the cold mix pave completed app. 1 month ago.
2. Highway personnel continue with the County work on Boughton Hill Road between West Bloomfield Road and the Victor town line.
3. Highway Department personnel upgraded the west section of Eckler Road. This extension was graded and received app. 600 ton of crusher run stone. The work was completed in anticipation of the cell tower installation near Eckler and the Thruway. The Town is being reimbursed for the work and materials by the cell tower company.
4. The Highway Department has set Monday, October 2, 2017, for the start of the fall brush pick up. The date is being advertised in the Sentinel, Penny Saver, and on the Highway Department website.

Respectfully,

William E. Smith,  
Highway Superintendent
